1. ASSESSMENT POLICY

Anand Niketan believes in Continuous Comprehensive Evaluation (CCE). Assessment is for learning and not of learning. CCE is the basis for making inferences about learning and development of the students. It is the process of detecting, selecting, collecting, analyzing, interpreting and using information to enhance students learning.

As there are no formal examinations for grade 1 to 4 on-going evaluations are conducted throughout the year. Progress reports are prepared on the basis of continuous observations considering classroom participation, project work, presentations, interest in subjects, participation in activities and attendance.

From grade 5 onwards evaluation is carried out considering weekly/ unit tests, half yearly exam, annual exam and internal assessments.

- Attendance on prescribed importance days also counts towards the student's marks.
- The assessment pattern for grade 5 to 12 will comprise of the following:
