1. GENERAL DISCIPLINE POLICY

- All students should display exemplary behavior befitting their cultural background at all times whether they are in class, playgrounds, assembly or in the school bus.
- The sanctity of the school environment should be respected at all times and no material that pollutes this environment should be carried in the child's school bag.
- All books, workbooks and notebooks should be brought as per the scheduled time-table. Failure to do so might result in loss of precious school hours, which cannot in any way be compensate.
- All books, workbooks and notebooks should be neatly covered and labeled at all times.
- Deadlines given by school authorities whether in terms of completion of work, submission of projects or payment of fees need to be respected and adhered to. This is a prerequisite for the smooth functioning of every organization and exceptions, if made, amount to a direct injustice to those who have conscientiously followed them.
- Students found damaging school property shall be penalized financially.
- Mobile phones or any electronic gadgets are strictly prohibited in school as well as in the school bus. If found, they will be confiscated for a period of 1 year from the date of confiscation.
- At Anand Niketan, we treat BULLYING & ABUSE of any kind very seriously. Any such complaint/issue will be addressed by a Stern Warning. If the issue is unresolved it will lead to SUSPENSION & RUSTICAION.
